more security

Top-of-the-line fire detection, fire escape staircases and fire fighting methods and systems are in place so you and your loved ones can feel safe.

24 hour CCTV surveillance in the common areas, fire alarm and public address system

An alternate power supply system in common areas and elevators makes sure there are no lives interrupted during a power failure.

A seismic resistant structure with sprinkler systems and mechanical ventilation in the basement round off the advanced safety features.
