STANDALONE AUDITED FINANCIAL RESULTS FOR THE QUARTER AND YEAR ENDED MARCH 31, 2020

NOTES:

1. The above results, which have been subjected to audit by the Auditors of the Company, were reviewed by the Audit and Compliance Committee of Directors and subsequently approved and taken on record by the Board of Directors of the Company in its meeting held on July 30, 2020, as required under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. The figures for the quarter ended March 31, 2020 and quarter ended March 31, 2019 are the balancing figures between the audited figures in respect of the full financial year and the figures published year to date up to the third quarter of the respective financial year.
3. As a prudent economic measure, and in order to conserve the scarce liquid resources of the Company, the Directors have not recommended any dividend for the year under review.
4. Given the nature of real estate business, the profit / losses do not necessarily accrue evenly over the period and as such, the results of a quarter / year may not be representative of the profits / losses for the period.
5. As the Company's business falls within a single primary business segment viz. "Real Estate Development", the disclosure requirements as per IND AS – 108 'Operating Segments' are not applicable.
6. Consequent to the declaring the outbreak of Coronavirus Disease (COVID-19) as a pandemic, the Government of India declared a complete lockdown on March 23, 2020, forcing the Company to suspend its operations in all its ongoing projects in compliance with the lockdown instructions issued by the Central and State Governments.
COVID-19 has impacted the normal business operations of the Company by way of interruption in Project execution, supply chain disruption, unavailability of personnel, unavailability to complete settled procedures, etc during the lock-down period. The company has made a detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, plant and equipment, investment properties, intangible assets, right of use assets, investments, inventory, advances, trade receivables, deferred taxes, other financial and non-financial assets etc. Based on current indicators of future economic conditions, the company expects to recover the carrying amount of these assets. The situation is however volatile and changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID 19 pandemic which may be different from that estimated as at the date of approval of these financial statements. The Central and State Governments have initiated steps to lift the lockdown and the company will adhere to the same as it resumes its activities. Construction at sites has already restarted. The company continues to closely observe the evolving scenario and take into account any future developments arising out of the same
7. Income from operations includes share of profit / (loss) (net) from partnership firms, AOPs as stated hereunder:

(₹ in lakhs)

Footnote:

The results of partnership firms, AOPs for the year ended are prepared and compiled by the Management of such firms and have been reviewed by the Management of Hubtown Limited.

8. The Company has not received the financial results for one of its partnerships for the year ended March 31, 2020. However, in the opinion of the management, share of profit/(loss) of such partnership firm will not have any material impact on the consolidated financial results
9. Costs of the projects are based on the management's estimate of the cost to be incurred up to the completion of the project, which is reviewed periodically.
10. The 'Incomplete Projects' of the Company included in Inventories are under various stages of development and are expected to have net realisable value greater than their cost.
11. In respect of the corporate guarantees issued by the Company to bankers and others on behalf of the group companies, associates and joint ventures for facilities availed by them (amounting to

₹ 1,30,662.05 lakhs), the management is of the view that it was necessary to provide the corporate guarantees to further the business interest of the Company in the entities on whose behalf such guarantees have been provided and the management is of the view that there would be no sustainable claims on the Company in respect of these corporate guarantees.

12. The Company has compiled a list of contingent liabilities based on the information and records available with it. Further, the Company is of the view that these liabilities will not result in any financial liability to the Company.
13. Due to outbreak of COVID 19 pandemic and lock down restrictions, company was not able to obtain year-end balance confirmations for some of its loans and advances, other receivables, debtors and creditors. These balances are subject to confirmations and are considered payable / realisable, as the case may be.
14. The Company has advanced certain amounts to entities in which it has business interest with a view to participate in the earnings of the Projects being implemented by the recipient entities and hence the company has not charged any interest on these advances. Considering the nature of businesses in which these entities operate, the amounts so advanced are considered to be repayable on call / demand as the recovery period of such amounts so advanced are not measureable precisely.
15. The Company is in the process of negotiating for settlement / redemption of the NCDs and interest thereon.
16. The Company, owing to liquidity crunch, has not invested / deposited Rs. 198.11 lakhs (P.Y. Rs.294.76 lakhs) in the manner prescribed under Rule 18 (7) (c) of the Companies (Share Capital and Debentures) Rules, 2014, notified by the Ministry of Corporate Affairs.
17. The Company has investments in certain subsidiaries, jointly controlled entities and associates aggregating C.Y. ₹ 97,564 lakhs (P.Y. Rs. 97,546 lakhs) and loans and advances outstanding aggregating C.Y. ₹ 15,073 lakhs (P.Y. Rs. 17,463 lakhs) as at March 31st, 2020. While such entities have incurred losses and have negative net worth as at the year end, the underlying projects in such entities are at various stages of real estate development and are expected to achieve adequate profitability on substantial completion and / or have current market values which are in excess of the carrying values. Accordingly, no provision is considered necessary towards diminution in the value of the Company's investments in such entities or in respect of loans and advances advanced to such entities, which are considered good and fully recoverable.
18. The Company has not provided interest amounting to ₹ 7,892.09 lakhs for the quarter ended March 31st, 2020 and ₹ 28,366.53 lakhs for the year ended March 31st, 2020 on certain inter-corporate deposits. The Company is in process of re-negotiating the terms / waiver of interest by respective lenders.
19. The Company has not recognized finance income during the quarter ended March 31st, 2020 amounting to ₹ 6,552.45 lakhs and ₹ 26,209.80 lakhs for year ended March 31st, 2020 from Deep Discount Bonds held in one of its joint venture entities as the terms of the said Bonds relating to tenure of the Bonds and redemption premium are under negotiation with the Issuer.
20. During the year, there has been a shortfall of ₹ 16.65 Lakhs towards payment of Corporate Social Responsibility, than that required under section 135 of the Act. Due to Covid 19 issues, the Company was not able to make the payment in the month of Mar'20. This amount has subsequently been spent by the Company in the current year.
21. During the year, partnership firms namely M/s Celeste Joint Venture, M/s Akruti Jay developers and M/s Akruti Kailash Developers in which the Company was a partner were dissolved. Consequently the said firms became proprietary concerns of the Company. The net assets of the erstwhile firms have been included in the standalone financial statement and tested for impairment.
22. Previous period figures have been regrouped / reclassified / restated wherever necessary to conform to the current period's classification.

Responsibilities of Management and Those Charged with Governance for the Statement

6. This Statement has been prepared on the basis of the standalone annual audited financial statements and has been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net loss and other comprehensive income and other financial information of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India, and in compliance with Regulation 33 and Regulation 52 read with Regulation 63 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.
7. In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

9. Our objectives are to obtain reasonable assurance about whether the statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone annual financial results.

10. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

CONSOLIDATED AUDITED FINANCIAL RESULTS FOR THE YEAR ENDED MARCH 31, 2020

NOTES:

1. The above results, which have been subjected to audit by the Auditors of the Company, were reviewed by the Audit and Compliance Committee of Directors and subsequently approved and taken on record by the Board of Directors of the Company in its meeting held on July 30, 2020, as required under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. As a prudent economic measure, and in order to conserve the scarce liquid resources of the Company, the Directors have not recommended any dividend for the year under review.
3. Given the nature of real estate business, the profit / losses do not necessarily accrue evenly over the period and as such, the results of a quarter / year may not be representative of the profits / losses for the period.
4. As the Group's business falls within a single primary business segment viz. "Real Estate Development", the disclosure requirements as per IND AS – 108 'Operating Segments' are not applicable.
5. Consequent to the declaring the outbreak of Coronavirus Disease (COVID-19) as a pandemic, the Government of India declared a complete lockdown on March 23, 2020, forcing the Company to suspended its operations in all its ongoing projects in compliance with the lockdown instructions issued by the Central and State Governments.

COVID-19 has impacted the normal business operations of the Company by way of interruption in Project execution, supply chain disruption, unavailability of personnel, unavailability to complete settled procedures, etc during the lock-down period. The Group has made a detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, plant and equipment, investment properties, intangible assets, right of use assets, investments, inventory, advances, trade receivables, deferred taxes, other financial and non-financial assets etc. Based on current indicators of future economic conditions, the Group expects to recover the carrying amount of these assets. The situation is however volatile and changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID 19 pandemic which may be different from that estimated as at the date of approval of these consolidated financial statements. The Central and State Governments have initiated steps to lift the lockdown and the Group will adhere to the same as it resumes its activities. Construction at sites has already restarted. The Group continues to closely observe the evolving scenario and take into account any future developments arising out of the same

6. The 'Incomplete Projects' of the group included in Inventories are under various stages of development and are expected to have net realisable value greater than the cost.
7. In respect of the corporate guarantees issued by the Company to bankers and others on behalf of the associates and joint ventures for facilities availed by them (amounting to ₹ 1,18,249.51 lakhs), the management is of the view that it was necessary to provide the corporate guarantees to further the business interest of the Company in the entities on whose behalf such guarantees have been provided and the management is of the view that there would be no sustainable claims on the Company in respect of these corporate guarantees.
8. The Company has compiled a list of contingent liabilities based on the information and records available with it. Further, the Company is of the view that these liabilities will not result in any material financial liability to the Company.
9. Due to outbreak of COVID 19 pandemic and lock down restrictions, company was not able to obtain year-end balance confirmations for some of its loans and advances, other receivables, debtors and creditors. These balances are subject to confirmations and are considered payable / realizable, as the case may be.
10. The Company has advanced certain amounts to entities in which it has business interest with a view to participate in the earnings of the Projects being implemented by the recipient entities. Considering the nature of businesses in which these entities operate, the amounts so advanced are considered to be repayable on call / demand as the recovery period of such amounts so advanced are not measureable precisely.
11. The Company is in the process of negotiating for settlement / redemption of the Non-convertible Debentures and interest thereon.
12. The Company, owing to liquidity crunch, has not invested / deposited Rs. 198.11 lakhs (P.Y. Rs. 294.76 lakhs) in the manner prescribed under Rule 18 (7) (c) of the Companies (Share Capital and Debentures) Rules, 2014, notified by the Ministry of Corporate Affairs.

13. The Company has not provided interest amounting to ₹ 7,892.09 lakhs for the quarter ended March 31st, 2020 and ₹ 28,366.53 lakhs for the year ended March 31st, 2020 on certain inter-corporate deposits. The Company is in process of re-negotiating the terms / waiver of interest by respective lenders.
14. The Company has not recognized finance income amounting to ₹ 6,552.45 lakhs and ₹ 26,209.80 lakhs during the quarter ended March 31st, 2020 and for the year ended March 31st, 2020 respectively, from Deep Discount Bonds held in one of its joint venture entities as the terms of the said Bonds relating to tenure of the Bonds and redemption premium are under negotiation with the Issuer.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Our conclusions are based

on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial statements /financial information of the entities within the Group and its associates and joint ventures to express an opinion on the Statement.
