our competitive advantage today

1

EXCEPTIONAL LAND BANK

Our land bank has been acquired with years of patience and exceptional local knowledge. Our projects are the marquis developments or largest developments in the micro market in which they are located. The largest projects in the prestigious locations of Bandra (W), South Mumbai and Chembur are ours.

2

DEEP KNOWLEDGE

We know the ins and outs of real estate laws and regulations in Mumbai better than any other developer in the city. Whether it is increasing FSI in existing schemes, or getting new schemes applied to our existing projects, we have achieved success in some of the most complex projects in Mumbai.

3

TRACK RECORD

We have delivered the most varied type of projects in Mumbai, including freehold land development, SRA, redevelopment, PPP. We have also delivered projects in a wide range of verticals – including residential, commercial, and industrial. We have also delivered projects in virtually every neighbourhood in Mumbai.

4

FLEXIBLE BUSINESS MODEL

We are extremely flexible and adaptable in the development of our projects. We work under various models with partners– from development management to equity partnerships to simple financing arrangements, or on our own– in short, whatever is in the best interest of the project.

recent developments - fund raising
